

Judy Young Is Crowned Homecoming Queen

Annual Homecoming Festivities Here Tomorrow

Afternoon Tea Set As First Of Events For Hart Alumni

By JOHN LAUE

The seventeenth annual Hartnell college homecoming day will be held tomorrow.

First in the list of activities to take place is the Homecoming tea. It is sponsored by the Associated Women's Students and the Colhecon club of Hartnell. All alumni, members of the faculty, and students are invited to the tea which will be from 2 to 4 p.m. in the student union building.

After the tea is a cocktail party and banquet, which are to be held at the Santa Lucia Inn near the rodeo grounds. The cocktail party will start at 4:30 p.m. and the banquet, featuring a steak dinner with all the trimmings, starts at 5:30. Slate of officers for the Alumni association for the coming year will be elected at the banquet.

Next on the schedule for tomorrow will be the annual Homecoming football game between Hartnell and the Menlo Oaks. Hartnell will be in for a tough battle here against the Oaks, who are favored to win.

The last event of the day will be the after-game dance in honor of the alumni. At the dance the award for the most outstanding player of the Menlo game will be presented.

The committee to choose the most outstanding player will be composed of winners of the award in previous years. It will include one student still starring for the Panthers, Jamie Bareng, who received the award last year.

During the entire day, the 1955 Hartnell Homecoming queen will reign. Last Monday the preliminary election was held to determine which five of the numerous candidates got the highest votes.

After the ballots were counted, it was found that the five coeds on top were the following: Judy Young, sponsored by the Business club; Sally Beazell, the Women's Athletic association; Martha Lou Cowles, the Art club; Marilyn Ingols, the Engineer's club; and Joann Benoit, the Intervarsity Christian Fellowship and the Westminster club.

Coronation of the queen, who was picked at the election on Wednesday, will take place today at 11 a.m. Her crown will be presented to her by Rene Eris, student body president. After the presentation of the crown, she will receive the Alpha Gamma Sigma trophy which is traditionally presented to each Homecoming queen.

Last year Anna Dietz, who now works in the Hartnell administration office, received the award which has the names of all the Homecoming queens of past years engraved on it.

Ladies-in-waiting for the Homecoming queen will be:

Number 3

Queen Judy and Attendants

Judy Young, Hollister, Hartnell college Homecoming queen, is shown with her court. They are, standing left to right, Joann Benoit and Sally Beazell, both Salinas, and the queen. Seated are, Marilyn Ingols, Santa Cruz; and Martha Lou Cowles, Watsonville.

— Californian Photo

Introducing:

1955 Homecoming Queen Candidates

Here are thumbnail sketches of the five Hartnell college coeds who were selected Monday as finalists in the 1955 Homecoming queen contest:

SALLY BEAZELL

Sally Beazell, Salinas sophomore, was sponsored by the Women's Athletic association. Blonde Sally was born in Watsonville on December 26, 1936, but has lived in Salinas most of her life.

She was graduated from Salinas union high school in 1954 where she was active in Girl's League, school publications, and rooster's club. In her freshman year at Hartnell she was a member of the radio production class and an officer on the WAA.

Sally's major is primary teaching and she hopes to attend San Jose State after completion of her studies at Hartnell. Her hobbies are swimming and other sports.

JOANN BENOIT

Joann Benoit, a Salinas freshman, was sponsored for the queen contest by the Intervarsity Christian Fellowship and the Westminster club.

Joann was born in Glendale, California, on May 27, 1936. She moved to Salinas shortly thereafter and was graduated from S.U.H.S. in 1954. In high school she was ac-

tive in the rooster's club.

Her activities at Hartnell include the position of Interclub council representative from Intervarsity Christian Fellowship organization. Joann is majoring in nursing and as yet is undecided as to which college will claim her after her graduation from Hartnell.

MARTHA LOU COWLES

Martha Lou Cowles is a freshman from Watsonville and is being sponsored by the Art Club.

A native of Watsonville, born there May 9, 1937, Martha Lou was graduated from Watsonville union high school in 1955. In high school she was chairman of the dance committee for three years, on the rally committee, and took part in various other club work. She placed second in her high school homecoming queen contest in her senior year.

At Hartnell Martha Lou is active in the rally committee and Art club and is majoring in merchandising. She hopes to attend Mills college and says that she wants some day to be a buyer for a huge department store. Her hobby, believe it or not, is sports cars.

MARILYN INGOLS

Marilyn Ingols, Santa Cruz sophomore, was sponsored in the Home-

coming queen contest by the Engineer's club.

Marilyn was born in Santa Cruz on November 21, 1936, and has lived there all her life. She was graduated from Santa Cruz high school in 1954 where she was president of the Girl's Honor society, commissioner of the student union for two years, member of Girl's Leaders and active in various other organizations.

In her freshman year at Hartnell, Marilyn was secretary of the Supreme court and this year she is secretary of the Associated Student Body. A business major, she plans to become a private secretary upon graduation.

JUDY YOUNG

Judy Young, Hollister freshman, was sponsored in the Homecoming queen contest by the Business club.

Dark-eyed Judy was born in San Jose on November 28, 1937, but moved to Hollister shortly thereafter. In 1955 she was graduated from San Benito county high school, where she was vice-president of the junior class.

Judy's major at Hartnell is elementary education and she hopes to attend San Jose State after graduation. Judy is an accomplished pianist.

Hollister Coed Is Winner Over Five Beauties; 327 Vote

Judy Young, Hollister, edged four other finalists Wednesday to become 1955 Hartnell college Homecoming queen. The new queen will be crowned this morning and will reign over all Homecoming activities this week end.

Frank Sherrill, student in charge of the election, reported a close election with 327 votes cast, more than in the primary election which was also won by Miss Young. With 11 original candidates, the election had more candidates and captured more interest than similar elections in the past three years.

"I feel Judy will make a fine queen," commented President Stuart Dufour. "It was good to have a representative in the finals from the entire area that Hartnell college serves," he added.

Evelyn Ardo Heads Athletic Group

Evelyn Aledo was elected president of the Women's Athletic association, Mrs. Dorothy Middaugh, advisor to the group, announced recently. Other officers elected were Mariette Gonzales, vice-president; Margaret Stigers, secretary-treasurer, and Arden Lewis, Interclub council representative.

WAA boasts a large membership this year. At their recent meeting, at which over sixty girls were present, plans for future activities of the club were discussed. Sally Beazell was selected as their Homecoming queen candidate. Signups for an intramural volleyball team was held.

WAA members participating on the volleyball team, the Slippers, are Marion Phillips, Joanne Taylor, Margaret Stigers, Marilyn Ingols, Shirley Hennigan, Dorothy

(Continued on Page 4)

Business Pupils Initiate New Club

Another new club on the campus is the Business club. It was first organized last spring and now boasts 58 members with Mr. Claude Addison and Miss Ruth Rothrock as advisors.

The members are to vote this week as to whether they will affiliate with the national chapter of Business clubs, the Phi Beta Lampda.

Elections were held last week with the following students holding offices: Mary Silva, president; Bernice Maciteni, vice-president; Marilyn Browne, secretary; Arden Lewis, treasurer; Alvin Payne, publicity; Johanne Lo Monaco and Marilyn Ingols, Inter-club representatives.

Don't Park "Across the Street"

Time and again Hartnell students have been told not to park on the other side, opposite the school, on Homestead avenue. Yet many students here haven't been abiding by this "unwritten" law.

We know that we wouldn't appreciate not being able to find parking space in front of our own homes or cause our friends to walk a block from where they park from our house when they come visiting. That is the problem that residents "across the street" now face.

There is no law stating that Hartnell students are prohibited from parking there. It is up to the student himself to do his part. In the past there has been trouble along this line but when the request went out to stop the parking, most of the students agreed.

But so far this year, Hartnell students still persist in parking there. We realize that walking a block is a bit too far in this modern day world of machines. However, we do believe that the residents on Homestead avenue receive some consideration from our car-driving student body members.

And Now the "M" on the Lawn

Monterey Peninsula college students must be sore about the way their football teams fare after their traditional encounters with our Panthers. For the M.P.C. students are always acting up some way toward Hartnell, trying to compensate for the losses the Lobos consistently garner after their battles with our squad.

Latest in their efforts to have a winner is their burning of the letter "M" in front of the Panther on the front lawn. It seems that the only way in which M.P.C. is victorious is by some destructive method.

By burning the "M" on the lawn, M.P.C. is well on its way towards becoming a braggart about their team; similar to that of last year. At that time they stole Hogan's Keg which is annually awarded to the victor of the game.

Last year, after they had "lifted" the keg, M.P.C. sent a letter to Hartnell stating that the only way in which it would be returned was by our team defeating theirs. Certain they were that the Lobo gridders would walk away unscathed by the then, faltering Panthers.

But as it was and has been for many long years, Hartnell continued its domination over M.P.C. Of course the Keg was returned here and here it shall remain for a long, long time.

Now the "M" is just saying that M.P.C. will win this Thanksgiving day. Which of course is wrong as all Hartnell students know and all M.P.C. followers will, in due time, find out.

Mr. Raymond Puck Is New Teacher In Hartnell College Science Division

A new member of the Hartnell science department is Mr. Raymond P. Puck. Mr. Puck will teach geology, physics, natural science, and astronomy.

He was born in San Jose and attended high school in Los Gatos. Upon graduation from high school, he went to San Jose State, leaving there to study at Stanford university in Palo Alto. He received his degree in 1949 and accepted a position at Lassen junior college in Susanville. After several years there, he joined the faculty at Jefferson union high school in Daly City.

He is married and the father of three children: two girls and a boy.

Mr. Puck is an avid hobbyist, collecting rare stamps, coins, rocks and miniature models.

Engineer's Club Plans Activities for Winter

Phi Sigma Chi, the engineers' club, made plans for their winter activities at their last meeting, according to Bill Tjerrild, president of the organization.

Proposed plans to visit the Ford Assembly plant in Richmond and the Navy Line school in Del Monte were discussed.

George Dudley made the announcement that this year Phi Sigma Chi membership will not be limited to engineering majors only but will also be open to architecture and science students.

Frances Burr Is Colhecon Leader

Frances Burr is the newly-elected president of the Colhecon club. Other elected officers are Gaynelle Hansen, vice-president; Jerry Alias, secretary-treasurer; Myrna Bradley, Inter-Club Council representative; and Pat Bissett, publicity chairman.

Future club plans include a potluck dinner for the installation of officers October 19. Colhecon is also working with the AWS in sponsoring a tea for the Homecoming alumni tomorrow afternoon. Club members assisted in serving and preparing the Men's club dinner for field day last week.

Colhecon invites all Hartnell students who are home economic majors or who are interested in home economics to become members.

THANKS FOR VOTES

I wish to take this opportunity to thank all those who voted for me at the recent class officers elections, but feel that it was unfortunate that more students didn't show interest by casting ballots. I extend to my successful competitor, George Dudley, my hearty congratulations and support in his position as sophomore class president.

(Signed) HARRY SINGH

Talent Brings Prize To Hartnell Mother

By JOHN LAUE

There are always a few people around Hartnell college who seem to have all the talent. If someone was to walk into the 10 A.M. accounting class on Tuesday or Thursday, he would see just such a person there.

Her name is Mrs. Raymond Alsop. She is the mother of seven children, which is an accomplishment in itself, but she is chiefly known for her contest-winning prowess.

Besides caring for her children and many other activities which she finds interesting, she has found time enough to enter numerous contests and has won so many prizes that it is hard for her to remember which thing in her house is a prize and which isn't.

Among the different prizes that Mrs. Alsop has won are two television sets, two automatic washers, a jeep, five radios, and various sums of money.

The jeep, which is the most valuable prize she has ever won, was from a nationwide cereal contest in which she won first prize.

Her oldest child, David, 23, attended Hartnell until 1954 when he went into the army. He is now going to officer's school in Georgia.

Her other children are Bill, 20; Judy, 15; Linda, 13; Arthur, 12; Phillip, 9; and Dick. Bill is also in service.

A humorous incident in the life of Mrs. Alsop is the time she sold both television sets she had won as prizes, and then decided that she wanted a set after all and went out and bought another.

Brooklyn-born, Mrs. Alsop says her reason for attending Hartnell is to improve her mind. Even though she has so many other responsibilities, she has managed to keep up with her accounting class so far.

Mrs. Alsop makes her residence a few miles out of Salinas on the Monterey highway. There she lives with some of her children and her husband, who is a water-well driller.

Fort Ord Soldiers Will Present Show

Again this year, Fort Ord will send over a special services team. The group recently returned from an Army recruiting tour to New York and also appeared on the Arlene Francis show.

The troupe includes Darryl Hickman, singer; Lou DiMaggio, accordionist; Gordon Hunt, master of ceremonies and comedian; Neil Anzalone, impersonator; and Bill Scott, pianist.

The show is scheduled for the near future. As yet, no date has been listed for their appearance at Hartnell college.

HOMEcoming . . .

(Continued From Page 1)

Coming queen will be the four other finalists in the queen contest. They will attend the queen at the different functions throughout the day.

Panther's Claw

By CLIFF PLETSCHE

HOME-LAID JOKES: Here's a couple new ha-ha's: First Tyro: "I gotta go take a makeup test." Second Tyro: "What are you studying, cosmetics?" . . . Garrulous Student: "What should we talk about?" Peace-loving Student: "Give me the full dialogue of a silent movie." . . . No? Well, if you think I'm witless what about L. N. of our school who thinks drum majors play drums. So there!

STUPID CUPID: Looks serious between Sylvia Lanini of the office staff and Hugo Chiapone from over-populated San Ardo. . . Wonder who Pancho Lopez will be dreaming about on the bench this Saturday? H. M.? . . . Alvin Payne and Barbara Dietz are throwing hearts at each other.

BOUQUETS: Mr. Louis Eris is very ill—hope he is well soon, as does everyone else. . . Three cheers, Mrs. Fryer ("General" to you) for coming back on Field Day to cook chickens. The Caf hasn't been quite the same since she voluntarily ended her nine-year "reign" there a couple weeks back. . . Obstreperous Lowell Webb received an unusual "bouquet" from Santa Lucia Elementary school last week. In a telephone message they complimented him on being such a good driver and guardian to the pupils. Who? Webb? . . . Bouquets to cheer leaders who went to greet Snow junior college gridders when they arrived at a local hotel last week after a 1,000 mile trip from Utah. . . Unhappy note: Frances Jew quit school this week in favor of a job at Chicago Printed String company.

ASB Commission Selects CJCSGA Representatives

Delegates to the fall semester state and local conferences of the California Junior College Student Government association (C.J.C.S.G.A.) were elected at Monday's meeting of the Hartnell college ASB commissioners.

Those who will attend the district conference at Napa junior college tomorrow are Frank Sherrill, student government workshop; Bob Barber, finance workshop (chairman); Sam Zuckswert, campus organizations workshop; Clifford Pletschet, publicity and public relations workshop; and Ted Switzer, rallies and assemblies workshop.

Commissioners selected to take part in the state convention at Fresno on November 17, 18 and 19 are Rene Eris, Frank Sherrill, Shirley Hennigan, Barbara Perelli-Minetti, and George Dudley.

New commissioners who took office as a result of last week's class elections were introduced at the meeting. They are: George Dudley, sophomore class president; Jerry Radvich, freshman class president; and Sam Zuckswert, freshman class representative. Myrleen Fisher, newly elected Interclub council representative to the commission, was also introduced.

The commissioners voted to set aside in a trust fund \$1,000 in uncashed bonds for repair of Student Union furniture. The furniture will be placed in the SU probably next week.

In other action certain commissioners were appointed by President Eris to look into past policies on elections and other issues. Action on a recommendation that a station wagon schedule be set up was held over to a future session.

Vet Organization Has Large Turnout At First Session

The Hartnell Veteran's club started out last Tuesday with a large turnout in the student union building. Dr. Loftur Bjarnason gave a short talk on the formation and purpose of the club.

He stated that last year was the first attempt after a lapse of several years to form a club and that it was coming along nicely. He also said that with proper support, much can be done to help veterans and their dependents in regards to housing and jobs while attending college.

The matter of dues was brought up and last year's dues of \$1.00 per semester was passed. It was also brought up that elections should be held to fill the vacancies in the club. The club constitution states that new officers must be elected every semester. The elections were carried over until the next meeting.

A member brought up the motion that a party should be given some time in the near future so that everyone can become better acquainted. A committee is looking into the matter as to the cost, site and other ingredients for a good time. The meeting was adjourned with a session scheduled for next week.

'Rumpelstiltskin' Tickets on Sale

The Hartnell college-community players will put on "Rumpelstiltskin," their first attempt at children's drama, at 8 p.m., on Friday, October 28.

Tickets are on sale by American Association of University Women club members in this area for the show, which is expected to appeal mostly to children between the ages of 5 and 11.

Members of the cast are: Judy Woodward, the miller's daughter; Jean Robertson, "Rumpelstiltskin"; Ted Switzer, the miller; Gary Harney, the king; Marion Lewis, the miller's wife; Mike Buntin, the king's son; Connie Balestrieri, the king's daughter; Leland Dast, "Inger," a courtier; Elizabeth Snow, Rumpelstiltskin's mother.

According to Hal Ulrici, Hartnell college drama head, rehearsals are a little over the halfway point in both time and development of characters.

A week before the play opens, the Hartnell cast will transfer its rehearsals from the little theater here to the Salinas high school auditorium where it is scheduled to be staged.

Dormitory Worry Plagues Coach Blue

As if his football worries weren't enough, Coach Ken Blue and Mrs. Blue have taken over the old Rochex residence at 123 Central Avenue as adult leaders in charge of a 17-man student dormitory.

While it is not the first time Hartnell has operated a dormitory, it is the first one to be under continuous adult faculty supervision. Coach Blue and family occupy the first floor and their 17 roomers live in the rest of the large white mansion.

Many of the roomers are athletes, and townspeople have shown their interest by donating soft drinks, bread, milk, candy, fruit, groceries and even meat to the rent-paying guests. The boys are their own housekeepers, and Mrs. Blue says they have been doing a good job so far.

Mrs. Blue says the main trouble is getting the lads to go to bed. And with all these potential babysitters, she hasn't used their services yet. It seems whenever she wants to go out, the occasion brings the roomers out also.

QUEEN JUDY

Tourney Contests Will Open Season For Adams Five

The Hartnell college Panther basketballers will compete in three tough tournaments before they open their conference season against East Contra Costa junior college here January 6. The schedule, which will see the Panthers playing almost 30 games, was announced last week by G. Ed Adams, director of athletics and basketball coach.

The season will get under way December 2 when Hartnell hosts Modesto J.C., Monterey Peninsula college and Citrus J.C. in a round robin. The winners of the December 2 contest will meet December 3.

The Panthers travel to San Mateo junior college for a contest December 7, then play Watsonville high school at Watsonville December 9 before returning home the next night as hosts to Valley junior college.

The eighth annual Hartnell-sponsored Coast conference tournament will be played here December 15, 16, and 17. Competing in the double elimination affair will be Menlo J.C., 1955 conference champions; Fresno J.C., San Jose J.C., Monterey Peninsula college, Coalinga J.C., Reedley J.C., and Allen Hancock J.C.

Hancock won last year by defeating Hartnell in the finals.

The third tournament is a new one at Santa Maria. Competing are Taft J.C., Pierce J.C., Citrus J.C., Santa Barbara J.C., College of Sequoias, Hancock J.C., Monterey and Hartnell.

The reminder of the Hartnell tentative schedule includes: January 6, Contra Costa*, here; January 7, Reedley at Reedley; January 10, Menlo* at Menlo; January 13, M.P.C.* at Monterey; January 14, San Jose State Frosh, here; January 25, Bible Institute of Los Angeles, here; January 28, Concordia* at Oakland; January 31, East Contra Costa* at Concord; February 3, San Jose junior college*, here; February 4, Hancock at Santa Maria; February 17, Menlo* here; February 18, San Jose State Frosh at San Jose, and February 24, San Jose J.C.* at San Jose.

* Conference games.

Community Choir Group Schedules First Rehearsal

The Salinas community chorus has scheduled its first meeting for next Tuesday from 7:30 to 9:30 p.m. at the Salinas union high school. The meeting will be in the choral room of the school.

This is a mixed group that will sing various types of choral music under the directorship of Miss Alice Dawson and is sponsored by the Salinas evening school.

In order not to interfere with church choir rehearsals, regular meeting nights of the chorus will be Mondays. Only this initial session is on Tuesday. Anyone who is interested and who enjoys singing is cordially invited to attend.

Marble Panther Noticed By Those Passing Hartnell

One of the first things noticed by a person passing the Hartnell campus is the giant, black marble Panther that stands on the lawn in front of the college.

The Panther was presented to Hartnell by the class of 1940. In 1941 it was unveiled in a ceremony presided over by the late R. D. Case, superintendent of schools at the time.

The Big Cat was hewed from a solid, 16 ton block of black granite. Its sculptor was Raymond Puccinelli, with Benjamin Buffano, the man who designed the buffalo nickle, as critic artist.

Unknown to many students at Hartnell is the fact that a steel box was buried in the base of the Panther containing many items typical of Hartnell at that time.

In the box, which is not to be opened until 2140, are a copy of the college newspaper, letters connected with the government and administration of Hartnell, rings, and other timely trademarks.

Mrs. Helen Jones, former Hartnell student, is now teaching at Del Monte school in Carmel valley.

Secretarial Post Is Full-Time Job For Pretty Coed

Editor's note: This week we are featuring Marilyn Ingols in the Sentinel's weekly series on Hartnell's associated student body officers.

Marilyn Ingols, a sophomore student, serves as secretary to the student council. Miss Ingols performs many tasks in her role as secretary. Her duties include corresponding with the student bodies of other colleges to maintain and promote friendly public relations; informing the college president and board of trustees of Hartnell student government activities; and recording the minutes of all commission meetings.

Miss Ingols, a lifetime resident of Santa Cruz, enjoys sports (volleyball and swimming) and she is particularly interested in student government.

Last year at Hartnell she served as superior court clerk and was also affiliated with AWS and WAA. During her high school years she was the president of the Girl's Honor society and commissioner of the student union.

The pretty, dark-haired, blue-eyed sophomore is a business major and plans to follow a career in that field following her graduation from Hartnell.

Unbeaten Menlo Is Panther Homecoming Foe

Hartnell Could End League Champs' Rose Bowl Chances

By LEN KLEMPNAUER

Menlo J.C., rated one of the strongest junior college teams in the nation, visits Salinas tomorrow and expects to leave with another victory tucked securely under their belts.

The event is the annual Homecoming game and the opponents are our off-and-on Hartnell Panthers. Game time is slated for 8 p.m. at the high school stadium.

Coming into tomorrow's contest, the Oaks are supposed to be the pride of northern California. They have been triumphant three times already and were preseason favorites to go to the Junior Rose Bowl game at Pasadena.

Hartnell's place on their schedule is just another game to them. But to the Panthers it means a chance to be spoilers plus gaining revenge of a bad defeat last season at the hands of Menlo.

A year ago the Oaks dumped Hartnell, 31-12, to end the Panthers' two-year reign as Coast conference champs. Menlo went on to capture the league title, posting a fine seven-won, one-loss record on the year. The only defeat was at the hands of City College of San Francisco.

To top things off the Oaks are supposed to be stronger this year than ever before. Although they are without the services of big, speedy halfback Al Harrington, now a Stanford griddier, they have a much better balanced squad.

From tackle to tackle, with the exception of one guard, the Oaks weigh-in above the 200-pound mark.

Their three wins this year have been against Coalinga, 42-0; Vallejo, 20-12; and Fresno State jayvees, 45-0.

Hartnell will nearly be at full strength for tomorrow's game with the exception of Max Anderson, guard, who injured his shoulder last Saturday against Snow. But back in the lineup will be big Hank Papa, tackle, guard Byron Bird, and Daryl Goodwin, halfback.

Takeo Hirahara, finally returning to last year's form, will again be quarterbacking the Panthers. Carrying most of the running game will be Dave Crocker who romped for 145 yards against Snow, including two runs of over 30 yards. On the season, Crocker is averaging 5.62 yards per carry.

ALEDO . . .

(Continued From Page 1)

Garcia, Carole Bernasconi, Marilyn Ross, Dorothy Sarina, Violet Andrade, Bernice Maceitini, and Toni Oliveira.

Panthers Defeat Utah Team, 19-14 For Second Win

A sterling first half offense put together by the Hartnell Panthers proved enough to provide them with their second victory of the year as they posted a 19-14 victory over Snow college of Ephraim, Utah, last Saturday at the Salinas stadium.

Hartnell took the opening kickoff and marched downfield 61 yards in 14 plays to notch the first touchdown. Constant yardage by Dave Gallegos, Takeo Hirahara, and Ron Bernal set the ball on the six-yard line where halfback Bob Fierro carried over. The extra point kick was partially blocked, leaving the score at 6-0.

With slightly over nine minutes remaining in the first half, the Snowmen went into the lead for the only time. Recovering a fumble on the Hartnell 21, the visitors scored three plays later on a pass play from quarterback Jim Carson to end Ted Clark, eight yards out. Clark kicked the extra point, making it 7-6.

Hartnell came right back, going 70 yards to pay dirt. Dave Crocker, running from halfback, started things off as he galloped 36 yards to the Snow 34. A clipping penalty put it to the 49 where the Panthers took seven plays to gain the six points.

Fullback Jerry Benedetti did the honors this time with a 13-yard plunge over right tackle. Crocker kicked the conversion attempt through the uprights.

Four plays after the Hartnell kickoff, the Panthers took over again. A 66-yard drive this time found quarterback Takeo Hirahara climaxing things with a sneak one yard out. The placekick was wide.

That was the way things went until the fourth period when the visitors again scored. Playing against the Panther second and third strings, the Snowmen went 37 yards to score with Carson again hitting Clark for the TD. Carson's kick was again successful.

Hartnell played its finest game of the season, especially in the first half. They amassed 290 yards on the ground and 76 via the air-lanes.

Except for some trouble from the speedy Snow backs in the first few minutes, the Panthers had easy going. It seemed as if the visiting speedy backfield would run things at will but the Hartnell defense dug in and soon stopped the running game.

As yet, no one has received a scholarship from the "Charles B. Rosendale and Daisy M. Rosendale Scholarship Fund. The fund is \$10,000.

Jean F. MacFaddin, former Hartnell student, recently completed basic training at the new Women's Army Corps center, Fort McClellan, Alabama.

Hartnell Homecoming Celebrates Seventeenth Birthday; Gridders Routed Marin In First Game Of Annual Series

By LEN KLEMPNAUER

Seventeen years ago Salinas junior college, as Hartnell was then known, inaugurated the Homecoming game series with a resounding, 26-7, victory over Marin jaycee. That win in 1938 sent Hartnell off on the first of numerous successful Homecoming contests.

The second traditional battle found the Panthers again emerging victorious; they topped Santa Rosa in 1939.

When Hartnell played host to Marin in 1940, the school was more noted for its majorette group than for its football team. Playing before 32 majorettes, one of the largest of its kind in the world, Hartnell nosed out Marin, 13-6.

A valuable conversion gave Sacramento a 7-6 triumph over Hartnell in 1941. Before 4,000 fans the

visitors ended the Homecoming win skein for Hartnell.

During the war years from 1942-5 there were no Homecoming games because of the lack of manpower. In fact, the Panthers were so short of football players that many of their contests were against high school teams.

Homecoming and Hartnell started rolling again in 1946. Mesa jaycee was the victim this time, and the Panthers scooted by them 6-0.

The first Homecoming queen, Nadine Conger, was elected in 1947. But this didn't help the Panthers a bit as they took it on the chin, 20-0, losing to a powerful Menlo team.

Ollie Matson, later an all-American halfback at the University of San Francisco and currently a professional gridman for the Chicago Cardinals, came to Salinas in 1948 with City College of San Francisco. Matson almost personally led the crew that squashed the Panthers, 20-7.

CCSF edged Hartnell the following year, 15-13, but in 1950 the Big Cats powdered Menlo, 27-7.

A highly favored San Jose State junior varsity eleven was upset by the Panthers, 20-18, in 1951.

Menlo took two shellackings in a row from Hartnell the next two years. The Oaks lost to the two great Panther squads of 1952 and 53 by the scores of 25-13 and 32-0, respectively.

Menlo came back strong last year, and led by their great Al Harrington, romped over Hartnell, 31-12. Harrington is presently wearing the spangles of the Stanford Indian and the sophomore great is predicted to be one of the finest football players that the Redmen have ever had.

This season Menlo comes to Salinas as strong favorites to make it two in a row. They were preseason favorites to be nominated to the Junior Rose Bowl game and their squad is expected to be stronger than that of last year.

69'ers Leading Volleyball Loop

The 69'ers have taken a commanding lead in the noon intramural volleyball league and are currently strong favorites to hold onto their championship which they captured last year.

Giving them trouble are the 6-Packs who are not far behind and are undefeated as are the leaders.

As press time this is the way things stood:

| Team | W | L | T | Pts. |
|------------|---|---|---|------|
| 69'ers | 2 | 0 | 0 | 4 |
| 6-Packs | 1 | 0 | 0 | 2 |
| Dead Oaks | 1 | 1 | 0 | 2 |
| Beach Boys | 0 | 0 | 1 | 1 |
| Magoons | 0 | 1 | 1 | 1 |
| Flippers | 0 | 2 | 0 | 0 |

Four Ex-Panthers Are State First Stringers

Four former football sensations at Hartnell are now holding down starting berths on the San Jose State Spartan team.

To be main cogs in the Spartan grid machine are Tony Teresa, quarterback; Clive Bullian, halfback; Ken Coronado, tackle; and John Perkins, center. All but Coronado participated in the 1952 Junior Rose Bowl game at Pasadena.

Former Hartnell Grid Star Leaves 49'er Post

Don Burke, outstanding defensive player of the professional football team, San Francisco's Forty-Niners, recently quite his grid post to enter private business in Walnut Creek.

Burke will run a combination bowling alley - restaurant - cocktail lounge.

A fullback for the Panthers, Burke was a stalwart of the 1946 Hartnell football squad.
